

Stop Operation Adream Support Toby

Toby Shone was arrested under Operation Adream headed by DCI Sion Margrie in his hunt for the administrators of the anarchist website 325.nostate.net under Terrorism legislation. Toby was found Not Guilty of funding terrorism, possessing information useful to terrorists, membership of FAI, or of carrying out several direct actions, but was sentenced for possession of LSD, DMT, psilocybin, MDMA and Cannabis, which were seized from raided collective spaces. He is also currently fighting a Serious Crime Prevention Order which police have applied for against him.
